#### PRESIDENT'S REPORT:

Motion was made by Richard Antonello, seconded by Peter McCann and carried when all Board members present voted in favor to approve Notice of Public Hearing, Budget Vote and Election of the West Islip Union Free School District, Suffolk County, New York.

Motion was made by Richard Antonello, seconded by Peter McCann and carried when all Board members present voted in favor to approve resolution re: participation in a Cooperative Bid coordinated by the Board of Cooperative Education Services of Nassau County.

Motion was made by Richard Antonello, seconded by Peter McCann and carried when all Board members present voted in favor to approve the results of the Special District Meeting held January 24, 2023 regarding the Use of Capital Reserves.

Mr. Tussie explained to the audience that the district was informed by the Town of Islip Tax Assessor that the district's exemption limits are already at \$29,000 and, therefore, the district did not need to have a Public Hearing or adopt new exemption limits. Mr. Tussie read the following information to the audience:

Since this information was previously discussed, and community members might wonder why the district is not going through with a public hearing, I thought you might want to make a statement at the next Board Meeting. If you do, perhaps the notes below might be helpful.

- In August 2022, New York State amended the statutory income limits for real property tax exemptions. This change allowed taxing jurisdictions to expand real property assessment relief for Senior Citizens with Limited Income and for Persons with Disabilities and Limited Income by increasing the maximum income limit from \$29,000 to \$50,000 for a 50% exemption.
- On October 18, 2022, the Town of Islip Board adopted the local options to increase the maximum income limit for a 50% exemption from \$29,000 to \$50,000 for both of these exemptions.
- In October 2022, the Islip Town Assessor asked local Board of Education to consider increasing the limits, suggesting we do so on a gradual basis. They also notified us that West Islip School District was currently at a limit of \$24,000 for both exemptions.
- The Board of Education discussed this topic at the January 3 Audit Committee and decided to increase the current income limits from \$24,000 to \$29,000 for both exemptions after a public hearing on February 9.
- However, on January 31 the district received an email from the Islip Town Assessor informing us the information originally provided to the district was incorrect as the district is already at the income limit of \$29,000 for both exemptions.
- Therefore, the District no longer needs to hold a public hearing or have the resolutions approved at the February 9 Board Meeting as we are already at the high exemption amounts.

If anyone has any questions, please let me know.

2. *SAYVILLE* warrants that the health and welfare services will be provided by licensed health care providers. *SAYVILLE* further represents that such services shall be performed by health care providers that are licensed under the laws of the State of New York, including New York State Department of Health and the State Education Department licensing requirements, if applicable. *SAYVILLE* further represents that such services will be in accordance with all applicable provisions of Federal, State, and local laws, rules, and regulations, including Section 912 of the Education Law, and the student's IEP, if applicable. *SAYVILLE* shall certify that all service providers possess documentation evidencing such license qualifications as required by Federal, State, and local laws, rules, regulations and orders.
3. *SAYVILLE* understands and agrees that it will comply and is responsible for complying with all applicable Federal, State, and local laws, rules and regulations with respect to the services provided pursuant to this Agreement.
4. The services provided by *SAYVILLE* shall be consistent with the services available to students attending public schools within the *SAYVILLE* School District; and may include, but are not limited to:

*It is expressly understood and agreed between the parties that the services to be provided pursuant to this Agreement shall not include any teaching services.*

5. In exchange for the provision of health and welfare services pursuant to this Agreement, **West Islip UFSD** agrees to pay **SAYVILLE** the sum of **1435.10** per eligible pupil for the **2022-2023** school year.
6. **West Islip UFSD** shall pay **SAYVILLE** within thirty (30) days of **West Islip UFSD's** receipt of a detailed written invoice from **SAYVILLE**. Said invoice shall specify the services provided, dates that the invoice covers, and the total amount due for the period specified.
7. If, during the term of this Agreement, a student becomes eligible to receive services pursuant to this Agreement, **SAYVILLE** shall undertake to provide services pursuant to this Agreement, and the amount of compensation owed by **West Islip UFSD** shall be prorated accordingly to accurately reflect the period of time services were provided to the student.

The parties hereby acknowledge their respective responsibilities pursuant to HIPAA and shall comply with said Regulations, if applicable.

12. Both parties, their employees, and/or agents agree that all information obtained in connection with the services performed pursuant to this Agreement is deemed confidential information. In addition, both parties agree that information concerning any student covered by the terms of this Agreement shall not be released except as provided for by applicable law, rule, or regulation, including but not limited to the Family Educational Rights and Privacy Act (FERPA).
13. Services provided pursuant to this Agreement shall be provided without regard to race, creed, color, sex, sexual orientation, national origin, religion, age, disability, or sponsorship.

16. The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce every provision of this Agreement.
17. Should any provision of this Agreement, for any reason, be declared invalid and/or unenforceable, such decision shall not affect the validity of the remaining provisions of

this Agreement. Such remaining provisions shall remain in full force and effect as if this Agreement had been executed with the invalid provision(s) eliminated.
